

Colorado Federation of Republican Women **TUSK TALK**

4TH QTR - 2020

I am honored to have served as CFRW's 1st VP and now honored to serve as President of CFRW. This past year has been a real challenge for us all, a year of tough times and some of us have endured more than others. But we are strong Republican Women and we will bounce back stronger than ever. I am on a learning curve with the best interests of CFRW in my heart and I know that I can depend on each and every one of you when the time comes. We are not timid, and we are in a fight for our country. Women united have the power to return this nation to what our founding fathers intended but we have strayed from.

We must promote our Republican values and grow our membership. Think about getting your family, friends and neighbors involved. Let them find the fellowship and friendship that we have all found with this wonderful group of hardworking conservative women.

2021 is going to be an especially critical year when it comes to membership – everyone's spirits are low from being shut in so much and from the outcome of many of the elections. Membership is low across the country for clubs because of not meeting in person, but we are hopefully going into the new year meeting in person. My goal is for us to put ourselves forward, let everyone know from every venue possible what a great organization CFRW is and do this to the point that they seek us out. Then we have to all make them feel welcome and a part of our clubs. We want to not only sign them up as new members, but sign them up for jobs, put them to work, fill those committee slots that are vacant. The more they have invested in a club, the more they promote it to others. I want each club to contact Carla and give her the name and contact information of the newspapers in your area and she will work with each publicity chair to get articles put in that will entice people to join. Along with newsprint we are going to highlight ourselves in social media, Facebook, Twitter along with the new social media places. The NFRW logo is an eagle standing over a ballot box and the 55,000 members of NFRW are the wind beneath the wings – the wind that makes the eagle soar. We are the largest grass roots women's organization in the country and there is absolutely no reason that we can't make him soar. CFRW can make it happen.

I attended my first NFRW Executive Meeting last week where Senator Ted Cruz spoke and he said "It's not time to get off our knees, yet", we don't know who our President and some of our Senators are.

We will begin making plans for our Spring Board Meeting. We know the date of the NFRW meeting and I have contacted state GOP to get the date of their reorganization meeting. Then we can set our date and begin to move forward. I have Senator Marco Rubio and Senator Tom Cotton on hold for either Zoom or Video.

We will continue to go onward and upward on a positive note.

Your CFRW Board is here to help in any way we can - just ask.

Barbara Piper
President, CFRW

Dear CFRW Executive Committee and Members

I wanted to thank you for the generous donation you voted to give me for my campaign for House District 59 from the CFRW Small Donor Committee. Coming from CFRW, it meant more to me than just about any donation I received. Unfortunately, we did not reach our goal but I will continue the fight for a voice for HD 59 and Colorado; I will just do it without a title. Again, thank you from the bottom of my heart.

Marilyn Harris
Past President, CFRW

Farewell

Lilly Nunez's daughter notified Marty Neilson that both Joe & Lilly had passed away. We really don't know more than that, but apparently was COVID related.

If you want to send a card, the address is:
The families of Joe and Lily Nunez

(The spelling of the last name is how it is spelled in the link.)

Lilly had been a CFRW member for many years, served as our RNC Committee Woman for 16 years. Both she and Joe were dedicated Republicans and had served many hours for the citizens of Colorado.

A special thank you to all who helped pulled off District 111 N **in person meeting** held in Craig on October 3. Our Keynote speaker was “Saving our States” Trent England, Executive Director. Also speaking: CO Senator 8th District Bob Rankin, Moffat County Commissioner/Republican Chair of Moffat Ray Beck, CO State Board of Education Joyce Rankin, CO Representative District 57 Will Perry and Senator Don Coran District 6.

LONE CONE RW
Terri Lamers, President

Lone Cone Republican Women was proud to financially support our Republican values at the county, state and federal levels with approximately \$3,000.00! Congratulations to Lauren Boebert and Marc Catlin on their wins!

At this time we stand with President Trump as we await the official legal outcome of the election results.

In honor of our veterans, we also supported an organization called Code of Vets. The support will provide Thanksgiving dinners for 8 families. Please look at the links for Code of Vets. You can find them on the web, Instagram, Twitter and Facebook. In TWO years they have raised over \$2 MILLION with 2% overheads. Give Gretchen a call and she will be thrilled to speak to your club - her passion is incredible and inspiring! [Code Of Vets – Taking Care of our own... One Veteran at a time](#)

God bless you all and have a Happy Thanksgiving, we have much to be grateful for!

BROOMFIELD RW

With legislative rules and dogged determination, Rep. Kim Munson protected the Senior Property Exemption for 2021. Ransom, a minority member of the six-member Joint Budget Committee, responsible for preparing Colorado's annual budget, dug in her heels when the majority threatened NOT to fund the Exemption. Her effort was soon supported by minority Senate member, Robert Rankin.

Two R's, Ransom and Rankin, accomplished what minority members rarely do—protect a tax benefit!

Four first-time legislative candidates, all members of their local CFRW clubs, attended Broomfield RW's September meeting to hear Rep. Ransom tell her story of minority success, protecting the Colorado Constitution Homestead Exemption Amendment.

DISTRICT VI
Evie Ashmore, Director

District VI held a successful District Meeting on November 14 via zoom with an Election Recap featuring Michael Fields, Executive Director, Colorado Rising as well as a FOX31 Denver political analyst. He provided the highs and lows of the election. And yes, while we had some low points, we did have some victories with the ballot issues.

Conducting the meeting via zoom was done to involve more of the CFRW Board to attend. Close to 50 people attended the meeting including Cherry Creek Republican Woman (CCRW), Douglas County Republican Women (DCRW), Elbert County Republican Women (ECRW) and CFRW Board Members.

I have encouraged clubs in District VI to submit volunteer hours to NFRW using Survey Monkey stressing the importance as well as ease in reporting. This will illustrate to the RNC the involvement of our Colorado Republican Women. I developed a handout for club members to use to report volunteer hours.

Douglas County Republican Women (DCRW) – Has been holding meetings via zoom. For the month of September, Dick Wadhams provided a state of the race. October brought Michael Fields and Kathleen Chandler together speaking about the numerous ballot issues.

With the passing of Karla Kroecker in August, we lost not only our dear friend but mentor and SRW sister. Karla was known for her strong faith, for supporting the unborn and for her love of family and friends. Her spunky spirit will never be forgotten. May God continue to wrap His loving arms around Karla's family.

Our SRW annual "Fun" Raiser entitled "Truth, Justice and the American Way" was a smashing success! Our guest speaker, Kim Monson of the Kim Monson Show, KLZ 560AM, did an excellent job explaining her "Battle of Ideas". Kim is dedicated to helping you understand the issues so you can engage in a thoughtful dialogue with others.

SRW vigorously continues to "Get Out the Vote" for the upcoming November election. A Small Donor Committee has been established. Billboards have been put up around town. Over 4,000 postcards have been mailed to voters. 2500 walking pieces will be distributed over the next few weeks. Calls are being made and doors continue to be knocked on. A huge thank you goes out to all of you for your continued support of SRW. This could not have been done without our membership, donations, contributions and all the volunteers who made this possible.

CHERRY CREEK RW

Nancy Doty, President

Even though the Pandemic has significantly limited our activities since March, we have held monthly lunch meetings for the past three months.

In September, our members heard from Jon Caldera, President of the Independence Institute. Our October luncheon featured candidates for the 18th Judicial District and CU Regent. In November, Steffan Tubbs, KNUS radio talk show host, discussed his documentary on Denver in Decay.

We plan to continue in-person membership luncheons in 2021 unless Tri-County Health (over sees Arapahoe, Douglas and Adams Counties) or Presidential Elect Biden place additional restrictions on gatherings.

Even though the November election did not result in the outcome we had hoped, our members deserve recognition for working tirelessly throughout the 2020 election season. We made phone calls, knocked on doors, held meet & greets, dropped literature, waved signs, put yard signs up, and financially supported our candidates. We will continue to do so in 2021 as the local municipal and special district elections begin. Our goal is always to support our Republican candidates and make a difference in the future of our community, state and country.

With the upcoming election on our minds, our September meeting had Political Consultant Dick Wadhams speaking on the up coming election with his thought on situations in various races and possible outcomes.

Then in October Kathleen Chandler the foundations and coalitions manager for the Independence Institute's Local Government Project and Michael Fields, Executive Director of Colorado Rising Action bringing everyone up to date on the various ballot issues.

It is now November and not feeling too good about some of the election outcomes, we decided to step aside from political and go a different route. Father Theron Walker of the Emmaus Anglican Church in Castle Rock is speaking on 'Lincoln, Thanksgiving and the Providence of God'. Father Theron is a DCRW Associate Member and has delivered our Thanksgiving programs in the past and they were wonderful so we are relying on him again to 'Lift Us Up' at this time when we all need 'Lifting'.

BOULDER COUNTY RW

September 15th BRW held an outdoor lunch and received an informative presentation on ballot issues from Kathleen Chandler with Independence Institute.

October 20th BRW held an outdoor lunch. Bob Schaffer, spoke about "Fighting for Children". Bob is the founder and Headmaster of Liberty Common School, a charter school in Fort Collins. Many of our members are interested in the education of their children and grandchildren.

During the past four years BRW has raised about \$4000 to support candidates. Boulder Pregnancy Resource Center also received a contribution. Donations were possible due to the generosity and hard work of our members. We were proud to support so many candidates and hope to make a difference!

Many members of BRW worked in the election. BRW President, Jane Meagher, organized all the BCR poll watchers and Boulder County Chairman Theresa Watson (former BRW President) rallied to action all the GOP in Boulder County.

The 4th Quarter of this year has not been a good quarter for the Republicans. We still do not know what has happened to our President's bid for reelection, but Joe Biden has been declared President with no concession from President Trump.

The Covid-19 pandemic is running amuck all over the United States! So I decided to put some happy news in our Tusk Talk. I hope I will be allowed to make it longer because I have 2 articles that are for the People of Colorado – ALL People - that should please them.

The first article is about Montrose, CO. We have our very own “Rosie the Riveter” from World War II. Her name is Betty Hayes and she is 96-years-young. She is very spry and can run circles around most of us. In 2015, she received an official certificate from the Rosie the Riveter Assn. In 2016, a B-25J plane from WWII visited Montrose, and Ms Hayes was able to determine it was a plane she helped assemble. Because of that, she was able to ride in the plane during its visit. According to Betty, “that plane was commissioned in June of 1944, and I was working on the very line that assembled that plane.” She also received a flag that has flown over the Colorado Statehouse from our own Senator Don Coram.

My second article is also about the Montrose, CO area. The U.S. Capitol Christmas tree was cut in GMUG (Grand Mesa Uncompahgre and Gunnison National Forests) which is just a few miles west of Montrose, wrapped and loaded on a semi trailer to be taken to Washington, D.C. and put up on the U.S. Capitol grounds. It is also covered with ornaments that were made by the people of this area to decorate it. One of our County Commissioners said at the cutting ceremony, “I hope this tree in some small way will bring some unity to the people of this country, especially in Washington where things are all hectic and hateful.

This has been a very unusual year for all of us. The year of cancellations and meeting alternatives. We were able to have the District meeting on June 27th at the Old Spaghetti Factory on the patio. There were about 25 in attendance. Our speaker was Greg Lopez, our candidate for Governor for 2022. He had a great message and encouraged us to keep on our course to get our State back and support what we stand for, Smaller Government and LIBERTY!

Adams County Trumpeteers celebrated their 50th Anniversary on August 1st with a celebration on Colorado Day. **Jefferson County Republican Women** held several meetings by Zoom due to the shut down but are back to meeting in person. JCRW plans to have the 62nd Annual Chili Dinner on October 24th with a chili cook-off. There will be a silent auction and a special Trump Quilt made by one of the members to be auctioned off as well.

The ACRW are a proud to participate in The Adopt-a-Road program. The Archuleta Republican Women are dedicated to partner with Archuleta county and the Town of Pagosa Springs, CO to ensure our roads are litter free one road at a time. The Adopt-a-Road program seeks to maintain the [natural beauty](#) of our region by keeping roadside litter at a minimum, while supporting local businesses, nonprofits, and other organizations.

Elections

Our Republicans in Archuleta County showed their support in full force from multiple Trump Trains and a gathering afterward at a park for a BBQ and family time. A local resident sponsored Lauren Boebert for a meet & greet. The turnout was AMAZING. Ken Buck, Marilyn Harris and our local candidates for County Commissioner were present. So many have stepped up and shown their support for our President! The feeling was we needed to do more. ACRW has gained a new connection with the community and in turn that will reflect in the membership.

LARIMER COUNTY RW

Nancy Hunter, President

The Larimer County GOP Women members are a resilient & dynamic group!! We have worked diligently for our candidates & to educate our members about ballot issues.

We held our annual ice cream social in July. We had excellent attendance & had many candidates speak. Many thanks to Olivia McCaffrey for hosting the event.

The beautiful fall weather afforded us the chance to meet outside. In September & October, our meetings were held at member Vicki Wagner's picturesque backyard. In September, we hosted speakers on Proposition 113 the National Popular Vote and Proposition 114 Reintroduction of the Grey Wolves & Proposition 115 the Due Date Too Late. In October we had speakers about Repealing the Gallagher Amendment and Proposition 118 the Paid Family & Medical Leave Act.

Congratulations to State Representative Hugh McKean on his re-election to HD 51 and his election to House Minority Leader. We also extend congratulations to Mike Lynch, Representative Elect for HD 49. He succeeds Perry Buck in this job. We know Hugh and Mike will represent Larimer County well and we look forward to hearing their updates. We are disappointed we could not elect more like minded officials to join them.

MESA COUNTY RW
Alice Bumgarner, President

MCRW July meeting was about the Stop the Wolf Coalition. Denny Behrens spoke about the pitfalls if this legislation passes - the wolves carry an illness that can spread to household pets and then on to humans. Our deer, elk and moose populations would be devastated along with the untold damage to livestock. We all need to work hard to make sure this doesn't pass.

Our August meeting featured a speaker from Harmony Acres which is a non-profit specializing in providing a place of sanctuary and healing for animals and people. She mentioned that their animals enhance the lives of military veterans, children who have experienced trauma, individuals with disabilities and others who are looking for a safe space to find meaningful connections. This is a wonderful program to support. It was great getting back to monthly meetings and we had a great turnout.

The September meeting was postponed with the express purpose of having an ice cream social. We had large attendance and the bluegrass band was a hit along with the Enstrom ice cream. It was a wonderful way to have the candidates meet with their constituents and enjoy a nice day in the sun.

We have been actively working the Welcome Home Initiative which delivers Republican Party information to every new homeowner in the Mesa Valley. We are providing voter registration forms, welcome to join the MCRW, and candidate information. We are reaching about 120+ homes a month. All of our members are working hard getting the Republican message out.

COLORADO SPRINGS RW
Vickie Tonkins, President

What a crazy time we are living in! Who knew the Democrats had gone so far left that they would think attempting to steal an election from Donald J. Trump would go unnoticed. I continue to believe that President Trump won by a landslide. I want to encourage all of you to stay prayerful and encouraged that once the dust settles, President Trump will have FOUR MORE YEARS!

The year 2020, has been one of the strangest years I have ever experienced, with the blatant over-reach of so many Governors in our nation and that includes the state of Colorado. I know many of you, like myself, are tired of lockdowns, stay at homes, as well as masks. I believe it is time to join ranks and say ENOUGH!

As we all have experienced, the China Virus has caused us to have to adjust and change how we work and meet. Much of our meetings consisted of Zoom meetings, which was a HUGE adjustment for us. I am a person that likes to meet in person and hug my friends who I work shoulder to shoulder with so I am ready from these China Virus issues to cease. In spite of all the craziness, our club is growing each month and our last meeting, in person this month, we had six women join our ranks.

Many of the Members and Associate Members of the Colorado Springs Republican Women were volunteers in many of our 17 candidate races by getting materials prepared and walking for candidates. We are mounting many volunteer hours and I am so proud to be the President of such a wonderful group of people. Members of our club participated in a Trump Car Rally we had in October and we had over 1,000 cars to participate. Of course, because the rally was for President Trump, it did not get the press we had hoped for.

Republican Women keep fighting to sustain our Republic because we are the last bastion, other than Israel, who fights for freedom in our world. I hope you all have a wonderful Thanksgiving and Christmas!
