## MARILYN HARRIS—CFRW PRESIDENT

It has been my honor to represent CFRW as your President so far this year and what a year it has been.

We are now preparing for our Fall Board of Directors/Convention meeting in Westminster on September 23 through 25, 2016. The Executive Board will meet the evening of September 23 and the Board of Director's Meeting will begin Saturday, September 24, 2016 at 9:00 AM.

As State President I am a member of the Board of Directors of the National Federation of Republican Women. This year the NFRW Spring Board of Directors meeting was in Washington DC in March. At that meeting NFRW passed a resolution that all clubs will be UNIFIED and support our Presidential nominee.

The Fall meeting was held in conjunction with the National Republican Convention in Cleveland. Again, the message from NFRW and the RNC was UNITY. We must stand united to win our Republican elections this year all the way from the Presidential election to local city and county elections. UNITED we stand. DIVIDED we fall.

The most important element of all is to get out the vote. We as Republicans must work to get our Republican candidates elected. Please contact your family, friends, neighbors; knock on doors and talk to people at meetings or the grocery store. We must work as hard as we can in whatever way each of us can by doing our part.

I hope everyone can make our meeting in September to network with one another and to see how we can make a difference in the November election. Our theme for the meeting...

# We the People

## **MEMBER AT LARGE—PUBLIC RELATIONS—PAT WAINWRIGHT**

### **SUPPORTING OUR TROOPS**

Blue Star Moms are hosting Gold Star Moms annual Colorado gathering in Durango the weekend of September 23-24, 2016. This is a time of mourning for the families of soldiers who have recently died.

There will be an opening reception at the Durango & Silverton Railroad Station on Friday evening, a day of mourning on Saturday, a banquet on Saturday evening, and an uplifting church service followed by departure on Sunday.

In keeping with President Harris's commitment to support our troops, CFRW will send two representations to the Friday reception to meet the families of the fallen soldiers. We will also provide center pieces for the banquet at the Doubletree Hotel on Saturday evening. The Sunday morning praise band arrangements have been made by CFRW.

As an organization we are honored to participate in this small way to support the families whose children have given the ultimate sacrifice for our freedom.

## **DISTRICT III SW DIRECTOR - MARY ANN SMITH**

As of July 30, 2016, District III SW has a combined membership of 151 and associates of 79.

District III SW Clubs are holding meetings and events to support and introduce Republican candidates to voters in their communities. Each Club will have specifics in their reports as well as emailing out flyers and information. If you plan to be in SW Colorado, please contact a local Republican Women's club for information on upcoming meetings/events.

CFRW member and President of Lone Cone Republican Women, Terri Snyder Lamers, is running for San Miguel County Commissioner. Please give her your support in any way you can. GO TERRI!

My passion is "to get the word out" to VOTE NO on Amendment 69. The negative impact of this Amendment under the guise of "health care" will be massive on all Colorado citizens. It does not guarantee health care nor health insurance! Please talk to those you do business with and inform there will be no oversight, our taxes will be the highest in nation, and can continue to increase – all without accountability. High taxes will kill business and jobs, and cause others not to invest in Colorado. Independence Institute has a paper on its web site outlining this looming disaster with more specifics, i.e., such as your personal health care data being made public for the purpose of "research". CFRW members must be very vocal against Amendment 69.

**Park County Republican Women** are listed on the NFRW.org web page.

# HERE'S THE NEWS

## ARCHULETA COUNTY REPUBLICAN WOMEN Mary Stokes—President

Greetings from Pagosa Springs! Our summer has been busy with lots of tourists visiting our part of Colorado. We feel fortunate to live in a county with a high percentage of registered Republicans. It just makes life easier!

At our June meeting we held a “\$\$hower” for J Paul Brown to help with his campaign in the 59<sup>th</sup> House district. On the Fourth of July many of our members reinforced our Republican presence riding on a parade float and helping supply water bottles for our commissioner candidates and elected officials to distribute to the crowds.

We hosted an informational meeting in July to review proposals for a new county court house and our close relationship with elected officials make for a frank and honest conversation. In August we helped at the Republican booth at the Archuleta County Fair by passing out candidate information and visiting with interested passersby.

The Honorable Scott Tipton, our District 3 Congressman, spoke to our club in August about the accomplishments and frustrations of DC. He reflected on the importance of the upcoming election which he calls a “generational” election and how important it is that we send Republicans to Washington to stop the carnage. Our membership continues to grow and we invite each of you to come visit and join us when we meet the second Tuesday of each month at noon at Boss Hogg’s Restaurant in Pagosa Springs. Our delegates are looking forward to seeing all of you at the CFRW Convention in September in Westminster.

## **CHERRY CREEK REPUBLICAN WOMEN**

### **Andi Allott—President**

Although Cherry Creek Republican Women do not meet in July and August, members are busy assisting CCRW members who are candidates for 2016 elective office. Congratulations to the following Cherry Creek members who are running robust campaigns in some very tight races: regular members include Katy Brown (HD 3); Susan Beckman (HD 38); Rep. Kathleen Conti (Arapahoe County Commissioner - District 1); Linda Garrison (HD 41) and Nancy Doty (SD 26). Associate members include Cong. Mike Coffman (U.S. House of Representatives - CD 6); Jeff Baker (Arapahoe County Commission - District 3); Richard Bowman (HD 36); Sebastian Chunn (SD 29); Bob LeGare (Arapahoe County Commission - District 5); Spencer Wellman (HD 40); Rep. Cole Wist (HD 37); and James Woodley (SD 27).

Best wishes to all for victories in November!

## **BROOMFIELD REPUBLICAN WOMEN**

### **Katrina Hamrick - President**

The Broomfield Republican Women continue to stay busy! We held a Women Who Wine fundraiser at Broomfield's Turquoise Mesa Winery on June 2<sup>nd</sup> and raised over \$600!

Our Summer Social was July 30<sup>th</sup> at East Interlocken Park in Broomfield and included a fabulous catered BBQ dinner by GQue BBQ. It was a great opportunity to personally talk with candidates and elected officials.

Broomfield Days is September 17<sup>th</sup> and we will march in the parade as well as have a booth at the event. We will be handing out red helium balloons with the GOP logo to the kids.

We will hold a jewelry, scarves and purses sale at our September 19<sup>th</sup> luncheon. Our April jewelry sale raised \$421 so we decided to do it again and add scarves and purses to the mix! Come join us and pick up some new bling! Our luncheon speaker will be educating us about the ballot issues.

Our October luncheon is October 10<sup>th</sup> and Lisa Hamil from the Denver Association of Petroleum Landmen will be educating us about the oil & gas industry and the related ballot initiatives.

We will be working hard throughout the fall supporting all of our local, state and national candidates. In conjunction with the county party, we will be making phone calls and walking door to door talking with our neighbors about the election and working on getting out the vote!

## **SOUTHWEST REPUBLICAN WOMEN**

**Sharla Dyar—President**

The summer has kept us in full swing and LaPlata County Republicans are making an impact in our community. Members are involved from helping candidates hang signs to engaging in the multiple parades and events. There is a buzz in LaPlata County that the Republicans are here and standing firm. The involvement is causing others to be bolder in their actions and confident to speak their values.

The next step for SWRW to impact our community is to put our strategic plan into action. When we bring our ideas and efforts together they are multiplied and have a much further reach -- each member has talents, energy and a unique perception that is invaluable. This month several members will meet together during our Tea & Talent to form committee chairs and make ideas become reality through the Candidate Support, Fundraising, Scholarship and Membership committees.

We are also trying new ideas to reach others in our community. On August 20 we will host a FREE Concert in the Park with Ralph Dinosaur - a well-known classic rock local artist, and have our local candidates mix and mingle with the crowd. The concert will be held outside at the Rotary Park in Durango giving the general public a non-threatening, friendly arena to enjoy the music and have the ability to see and visit with the candidates. Our intention is to create an environment to reach those who will never step into a formal Republican Meet & Greet or Republican sponsored event. If you are in Durango from 4-8 p.m. on Saturday, August 20, please stop by.

Sharla Dyar, Leetra Jurkens, Terri Olinger, Cheri Eby, Nora Montgomery, Carolyn Plested

## **MESA COUNTY REPUBLICAN WOMEN**

**Sue Benjamin—President**

It has been a busy and hot summer here in Mesa County! So, in June, we had an ice cream social in the park and invited Republican candidates to join in and socialize with us.

Also, in June, State Senator Ray Scott spoke at our luncheon and gave a report on the last Session in Denver. It is evident not much worthwhile can be done in our state until there is Republican control.

July saw MCRW involved in our local 4th of July parade down Main Street. There was lots of applause for our Republican float entry as we waved and handed out many little flags to the children.

In August, Heidi Ganahl, candidate for CU Regent At Large was our featured speaker at our luncheon. She has very good conservative ideas for CU and would be a good addition to CU's Board of Regents. This same month we are holding our Fun Fashion Show fund raiser. Marilyn Harris, President of CFRW, is our guest speaker at this event.

This summer has seen our members attending meet and greets, working with the Election Dept. at the Primary Election, attending the Western Conservative Summit in Denver and watching the Republican National Convention. Laureen Gutierrez, our MCRW president, attended the Convention as an Alternate. She told us all about it when she returned. It was something she had always wanted to do.

## BOULDER REPUBLICAN WOMEN

Boulder Republican Women are VERY involved people. Diana Petrak is a fine example. In addition to being the BRW Hospitality Chairman, Diana is active with BOCOFirm in fighting Boulder County's neglect and failure to maintain unincorporated county roads. Diana is also involved with the Colorado Republican Business Coalition, the Bean Project, and Principles of Liberty as a legislative analyst. Diana recently graduated from Leadership Program of the Rockies, participates in Toastmasters and has graduated from levels 1, 2 & 3 in the Americans for Prosperity Grass Roots Leadership Academy. Diana has partnered with Jane Meagher to lead a group of women in discussion of conservative issues.

Several BRW members were delegates to the CO GOP Assembly. Marty Neilson was a delegate to the RNC Convention and volunteers as CO GOP Treasurer. Beverlee White and Hetty Hennessey are the Trump Boulder County Chairmen & Marty is now the Northern Colorado Coordinator II. Gerry Gifford and LeMoine Dowd each organized Boulder County GOP entries for parades this summer. BRW will host the Boulder County Republican Summer Social on August 20<sup>th</sup> with Theresa Watson and Susie Littmann serving as chairmen of the committee. These are but a few accomplishments of the many members of BRW, a group of over 100 outstanding individuals!

## SUNRISE REPUBLICAN WOMEN

### Terry Hindmarsh—President

Almost 70 people gathered for our Annual Picnic August 6<sup>th</sup> in beautiful Fox Run Regional Park. The Sunrise Trio, Rachel, Tawanna, and Leslie, got us in the mood for candidate stump speeches with rousing patriotic songs. (See attached picture.) Mark's smoked BBQ Brisket was a favorite along with the watermelon and pies. Several student leaders spoke and gave us great hope for the future! A collection was taken for Shield 616 in support of our local police.

Sunrise was well-represented at the El Paso County Lincoln Day Dinner August 12<sup>th</sup>. Members volunteered at the Republican Booth at the County Fair and have been helping with voter registration and campaign walking. Once again, Sunrise was awarded a ribbon for creativity at the Monument Independence Day Parade for our float depicting the Early Days of American Education.

At the June General Meeting two speakers addressed their serious concerns about Amendment 69. Our opponents propose legislation that "sounds good" when they attempt to take away our freedom to make our own choices for healthcare, education, energy development, firearms, AND they want to take our dollars to pay for it all.

## DOUGLAS COUNTY REPUBLICAN WOMEN

### Marsha Haeflein—President

As we are fast approaching the November election, DCRW is hard at work campaigning for our local, State, and Federal candidates in addition to informing the electorate on all the ballot issues. We can all rest on November 9<sup>th</sup>! A number of our members are involved in the State Trump/Pence and Women for Trump campaigns. Remember that Republican women are the backbone of the Party!!

In April, we hosted an informative program on Amendment #69 featuring Jeff Wasden, DCRW member and President of Colorado Business Roundtable, and Kelly Sloan from the Independence Institute. Quite a few of our members are distributing the 2-page bullet-point outline (found at [www.i2i.org/health-care](http://www.i2i.org/health-care)) to everyone we know including family, friends, businesses, doctors, etc. Spread the word! In May, Josh Penry gave us the low-down on the Political Landscape in Colorado. During our summer hiatus, we were busy with the three local parades and booths, fundraisers, campaigns and everything associated with an election year!

In August, our District VI Director Barbara Piper chaired a great luncheon/meeting which was co-hosted by DCRW and Cherry Creek RW featuring Dr. Jill Vecchio as our speaker on Amendment #69.

We are excited for our September 21<sup>st</sup> meeting where we will be hosting five experts from the Independence Institute on five of the most important ballot issues, i.e., fracking, Amendment #69, etc. We urge everyone to join us by going to [www.dcrw.org](http://www.dcrw.org) to RSVP.

After what happened at the RNC Convention, we hope that everyone will now UNITE and get on the Trump Train!

## LONE CONE REPUBLICAN WOMEN

### Terri Lamers—President

Lone Cone Republican Women hosted a very successful 2nd Annual Lincoln Day Dinner on August 6, 2016. Member, Gretchen Wells took on the task of handling the silent auction. She did a great job soliciting donations from members and the community. Member Betty Greager's pies brought in a nice chunk of cash for the club. Ann and Ron Gabbet did a nice job of keeping the crowd refreshed. Ron also did a great job of auctioning the pies.

Members Mike and Tanya Morlang catered the evening's meal of smoked brisket and all the fixings. And club Secretary/Treasurer provided cardboard cutouts of former Presidents Reagan and Lincoln for photo ops.

We were honored to have 58th House District Representative Don Coram and Diane in attendance. As well as, Velbeth Jones (representing J Paul Brown) and Mary Anne Smith from SW District 3 CFRW.

Rudi Zitti of American's for Prosperity enlightened and frightened us about Amendment 69; the Single Payer Health Care proposal.

Thanks to all that attended and made the night so successful and fun! .... See photo on page 13

## COLORADO SPRINGS RW

Vickie Tonkins—President

Hello Republican Ladies,

I am having a hard time believing it is August and our CFRW Board Meeting and Convention is right around the corner. This will be my first CFRW Convention and I am excited to be meeting many of the wonderful women who make up our federation. I hope our clubs will have many of our women participate in this event.

I had the great pleasure of being a part of the Colorado Delegation to the Republican National Convention in Cleveland, OH last month. Our delegation worked hard to represent you all well. While much of what went on at the Convention was exciting and far grander than I had expected, there were, some things that happened that were disappointing.

I am sure some of you heard from the media that our delegation left the Convention floor, please know that this is false. The Colorado delegation **did not** leave the floor. One thing that all Republicans can be proud of is the adoption of the 66 page Republican Platform. It is the most pro-family, pro-religious freedom, pro-life, and pro-second amendment platform the Republican Party has ever had. Robin Coran and Justin Everett represented Colorado in this portion of the convention. You can read the platform at [https://prod-static-ngop-pbl.s3.amazonaws.com/media/documents/DRAFT\\_12\\_FINAL\[1\]-ben\\_1468872234.pdf](https://prod-static-ngop-pbl.s3.amazonaws.com/media/documents/DRAFT_12_FINAL[1]-ben_1468872234.pdf)

It is my desire to see America return to being a Nation governed by The Constitution of the United States as the founding fathers envisioned.

God bless you all and God please continue to bless America!
